

EUROPE IN AUTUMN 2011

Wow! What a Mighty God we serve. On Nov 7, 2011 we departed to Italy and Switzerland. The next two weeks were spent with our gracious hostess, **Sister Elisabeth Lentschik** and were power packed with the Holy Spirit's presence. The Spirit was manifested in a marvelous way in our meetings and conferences with wonderful might and power. There was a great move of God!

We began with teaching on the Internet Bible School. This Bible School is broadcast all over the world. You may see our teachings by watching www.eVangelo.org. Dan taught on Psalm 103 and Claudia taught on "The Source of Blessings." Then we taught a conference at the border town of Chiasso, Switzerland near Italy. More than thirty students came from all over Italy and Switzerland. Dan taught on Romans 12:1-2, "Renewing Your Mind." Claudia taught on Ephesians chapter one. Many of the students brought their family and friends. As we presented the Gospel of Salvation, many received Jesus as their Lord and Savior, and were filled with the Holy Spirit and Supernatural Power.

Dan also preached in local churches. We ministered to and with our special pastor friends **Milco and Daniella Margaroli**. They have begun three churches in San Antonio, Sementina and Chiasso Switzerland. We brought forth God's Word in these three churches with Signs and Wonders following. Many were encouraged to receive "More

of God" and were healed from all kinds of bodily ailments.

God also moved mightily in Lecco, Italy with our dear pastor friends **Samuel and Sandra Okoh**. They pastor a church with twenty-six different nations represented. We celebrated Pastors Samuel's birthday with a party afterwards and

delicious Italian food! This church is also on the Internet at www.eVangelo.org which goes out to all of

Italy. We had a large prayer line with many coming forward

to be healed and set free.

One of the CD Bible School students was a **Catholic Priest from Ethiopia**. During the

teaching on Saturday, he along with thirty other students, invited Jesus Christ into his heart. Afterwards, he said, "I thought I knew Jesus before, but now I really do know Him in a personal way." Many peoples lives were changed as His Word was spoken and well received. To God be the glory!

We thank you for all your prayers and contributions to DDMI which enable us to go. This area is now receiving the Bible teachings for the first time. They have had a form of religion but not the Word of God. They were so excited to hear the Word taught and preached! Again, thank you for your prayers and contributions that have enabled us to bring **"More of God to More of God's People."** You are loved and appreciated.

Love and blessings to all,
 Dan and Claudia Denissen

Jesus loves you and we do too!
