

AUTUMN EUROPE MISSION TRIP ~ September 12 – October 23, 2013

What can we say? We experienced God's glory in the most powerful way in every place we ministered. God poured His love in such a powerful outpouring! We moved in the fullness of the Apostolic Office. Pastor Dan led 10 people to salvation along the way: in stores, airports, and 35,000 feet in the air. There were also many who received salvation in the church services in Hungary, Romania, Italy, and Switzerland. Praise the Lord!

We flew to Hungary and met the team from River Valley Christian Church – Lake Elmo. Revs. Dan and Marta Lewis coordinated a weeklong conference with area pastors and the Roma (gypsies) from two camps. They really know how to praise God with joyful music.

We then drove to Szekelyhid, Romania, to one of the gypsy camps. They just finished building a very beautiful church. I thought of the scripture in the Old Testament where the people built the temple, leaving their own houses, and building the church first. Because of this, God blessed them mightily.

We flew to Rome and taught in a Bible school and preached in two churches on Sunday. We experienced such wonderful love and acceptance from Pastors Marko and Sara Vantaggio at Abundant Life Church in Ladispoli, Italy. We fell in love with them and their baby son, Benjamin.

After ministering there, we flew to Zurich, Switzerland where our good friends, Beno and Esther Lonhke, (Pastors Thomas and Monika Lonhke's parents), met us at the Zurich Airport and took us to their home where we enjoyed great hospitality and wonderful food. The weather was like fall days in Minn.

We then preached on Sunday and Wednesday at Pastors Thomas and Monika's church: *Familiengmeinde* in Langenthal, Switzerland. What a joy to see how God has added to their church with more people, who love Jesus! Beno then drove us south to Lugano, Switzerland to see our special friend, Elisabeth Lenschik. She believes for total healing and we are agreeing with her. Please pray for this wonderful woman of God!

Then south to Lecco, Italy to minister at Pastors Samuel and Sandra Okoh church *Parole de Fide* (Word of Faith Church). They have begun a Bible School with many students who were very hungry for the Word of God! Pastor Samuel had been praying for the fullness of the Spirit to pour into his church and this is what happened during the Sunday service. There was an explosion of power from on high that came and it was overwhelming! Almost the entire congregation came forward to receive the fullness of the Holy Spirit as in **Ephesians 3:19**.

Then we drove north to Bellinzona, Switzerland, an area just south of the high mountains of San Gottardo. We met Pastors Milco and Daniela Margaroli who graciously hosted us in their home. They have two churches, one in Locarno and one in Chiasso, Switzerland.

Mighty manifestations of God's healing power were present during the scheduled services: **Tuesday**-Healing service in Lugano with many people receiving healing for their broken heart. **Friday**-Healing service in Locarno. **Saturday**- all day meeting with church service following that evening at 4:00 pm in Chiasso. On Sunday, we ministered at the Locarno church. What a glorious and full schedule!

We are grateful for your prayers and giving to DDMI. All this has been made possible through your generosity. The people we ministered to have very hungry hearts to learn about Jesus and what He has done for them on the cross. Our dear brothers and sisters in the Lord are eager to learn what the Bible has to say about His death, resurrection and "Who they are in Christ." Thank you! **Jesus loves you and we do too!**
