

## RAM'S HORN NEWS! MAY 22

Getting excited! Only 8 more days till we leave for Poland and Belarus! We are busy preparing teachings, gifts, clothes, and our bodies for the 3+ weeks away! Been a sweet time here at graduations, baby dedication, baptism and Mother's Day! God is SO good!

We know that we cannot successfully GO unless we are SENT. Our partners and friends have faithfully sent us for 25 years! Thank you SO much. It was 25 years ago on May 18 that we left for Minsk, Belarus with a team of 21 from Good Shepherd Christian Academy--students as young as 10 and parents... well, don't know how old they were! For years after they had left their mark on Minsk, we saw the shirts they had designed, printed, wore, and gave away on the streets there. Gave us a heart tug each time. The team was so valuable to set a stage for the new church and bring joy, healing, and peace to a troubled culture-- with the Love of Jesus! They, and we, all carried the max of two 70lb. suitcases stuffed with our personal belongings and lots of food.

So, with many great memories, we head back to Belarus for Abundant Life's 25<sup>th</sup> anniversary! WHAT GOD HAS DONE! They are so alive, vibrant, joyful, persevering, visionaries carrying the Kingdom not only there, but to the world! We will actually spend more time in Poland as we only can stay in Belarus for 5 days on their visa-free program. We will be with Pastor Pavel's new church, the Bible school graduation, and teach and preach as asked. Please pray:
